Clarification # 2

Question 2:

“As we are considering submitting a proposal through a consortium composed of a national company and a foreign entity, we would appreciate it if you could kindly provide, in general terms, the information and eligibility documents required for this type of consortium arrangement.”

Answer 2:

The requirements for submitting an Expression of Interest are set forth in Section 4 of the Call for Expressions of Interest (REOI) and apply to all applicants, whether they are applying individually or as a group of companies (consortium/joint venture), in accordance with the provisions of the procedure documents.

UGPE does not have a template for the Expression of Interest; companies are free to prepare their own submission. Please note that the material to be submitted must not exceed 30 pages.
