Question 1 - Are International firms allowed to pitch for this consultancy?

Answer 1 - Although the procurement is being conducted under the National Competitive Procurement Method, no restriction on the nationality of consultants has been established, other than the eligibility requirements set forth in the the African Development Bank's Procurement Policy and Methodology for Bank Group Funded Operations. For further reference, consultants may consult the African Development Bank's information on Member Countries and eligibility requirements applicable to Bank-financed procurement.

Question 2 - Should the EOI submission be done in English & Portuguese, or is it fine to submit in only one language?

Answer 2 - The Expression of Interest may be submitted in either English or Portuguese. There is no requirement to submit the documentation in both languages.
